WHO WE ARE

At Forbes Industries Asia, our philosophy is to provide our customers with quality products that not only are functional, friendly, aesthetic and durable, but with features that enhance operational efficiency, user-friendliness and safety. Forbes products henceforth deliver immense value in the long run.

Forbes Industries is the world's leading manufacturer of hotel and food & restaurant service equipment. Founded in 1919 in Los Angeles, California, Forbes Industries has since 2008 been operating out of its Singapore based Forbes Industries Asia which is the Asian headquarters overseeing the Asia Pacific region.

Featured in this literature are products designed predominantly in the U.S. and manufactured in Asia under Forbes' stringent production and quality standards. Forbes Industries Asia constantly strives to provide good quality products at competitive price points for all categories of properties and facilities in the hospitality, food & beverage service, restaurant & catering and health care industry.
