a Kolk Design & Production Brand

# Our Mission

Light is one of the major silent powers to influence humans. The light in your hotel or restaurant influences the customer's experience significantly. It is much more than just functional. We believe it is a control panel to evoke emotions.

## Products – GERMAN CRAFTMANSHIP

As a specialist for handcrafted lamps, Kolk Design & Production provides hotels and leading restaurants the instruments for creating: "their unique atmosphere".

Only carefully selected, solid materials, like natural grown woods (FCS) and aluminum are used to produce sustainable, high quality lamps, at highest eco-friendly standards.

## Service

Kolk Design & Production operates globally and is capable to serve around the globe just in time.

As a young new team, we would like to offer you new innovative possibilities, for your complete table top settings. Except making good lamps at a reasonable price, it is our aim to fulfill your needs for a complete harmonious table top set up.

Kolk Design & Production has the possibility to provide with:

**B|KOLK®** cutlery  
**B|KOLK®** porcelain  
**B|KOLK®** glasses  
**B|KOLK®** table clothes

We also provide you with your favorite brand.
