## WORKING WITH FF&E PROCUREMENT COMPANIES

Adapting our products to your needs is that what we are famous for.

Need a table lamps in the wood in the same color as your furniture, we make it for you. You want a customized product, we design and make it for you.

Our experience of over 25 years working with all famous procurement companies around the world can be of help for you.

Our specialty: Concepts  
Special models and materials are in stock to match your furniture, so a fast implementation can be secured.

If you are looking for something special, we think we can be your partner!

## WORKING WITH FF&E PROCUREMENT COMPANIES

As a family owned, German, manufacturer of high end cordless rechargeable table lamps, we know how important it is to have reliable partners, who are also capable to implement our advanced Led technology in to your designs.

The winwin situation is, that we are strong at creating the same style of lamps for the tables as well as for ceiling or floor standing lamps.

As table lamps are most of the time an OS&E product it can cause a disharmonious feeling, as the table lamps is not matching your overall design!

Try us, we are there for you.
