Folio Cookware brings a whole new level of cooking to the kitchen. These 4-ply ceramic, non-stick pots are made of lightweight cast aluminium and feature an unbreakable body with excellent cold and heat retention. With the versatility of being used on electric or gas cooktops and oven or induction.

- Ceramic non-stick cast aluminium
- Oven safe up to 230°C
- Up to three times lighter than cast iron
- Dishwasher safe

HomeStyle induction chafers are your go-to lightweight vessels for sterno or induction heating. Comprised of stainless steel or coated in black, white or red/black Habercast, these chafing dishes include a food pan, and are chip and scratch resistant. More so, the rectangle chafers have a built-in lid holder for convenient buffet service.

OTHER SOLUTIONS

Our Thrill machine is a professional tool that cools and sanitises glasses. It will kill 88% of bacteria on a glass in a few seconds. Not only are maintenance costs very low, but the machine will also improve the quality of beverages served too. Designed for hospitality environments that require reliability, speed and the ability to deal with large workloads continuously.

Our Made for Life campaign

Promotes the benefits of Steelite manufactured product, and underpins the four elements of our mission statement. This is our commitment to you. We make our products and serve our customers with this in mind – everything we deliver is for life.

INSPIRATIONAL
DESIGN

We design our products for life.

EXCELLENT
QUALITY

We make our products for life.

OUTSTANDING
SERVICE

Our customers are partners for life.

MINIMISING
ENVIRONMENTAL
IMPACT

We are helping secure an environment that is fit for life.

The Steelite International Lifetime Edge-Chip Warranty

Is your assurance that all Distinction and Performance products manufactured in the UK factory will withstand the rigours of the modern commercial kitchen and remain chip free (10 years in Germany).

What Sets Us Apart

The Steelite International Lifetime Edge-Chip Warranty is your assurance that all Distinction and Performance products manufactured in our UK factory are fit for purpose. This commitment to quality excellence ultimately results in product that you will replace less often – great for your kitchen, great for your long-term costs and great for the environment.

Our Alumina Vitrified clay body offer our customers the opportunity to purchase sleek and elegant pieces with the security of durability and lasting product excellence. All Performance and Distinction products are made with high alumina content to ensure ultimate strength. 100% Vitrified Ceramics prevent crazing and cracking that lead to bacterial growth over time, thus enhancing sanitation and food safety efforts.

Each piece is inspected, examined and tested so you can be confident it will withstand the rigours of the modern commercial kitchen and remain chip free.

Secure Handle Adhesion

Every time you serve a customer with a Performance or Distinction cup or mug, relax in the confidence that the handle has gone through 7 different quality checks to ensure it stays where it belongs – on the cup!

Stackability

Stackable shapes result in space-saving solutions! A fully glazed base minimizes contact, preventing damage and wear.

Microwave & Freezer Safe

Our products offer complete versatility. However you work, be confident our products work with you.

Thermal Shock Resistance

Performance and Distinction products withstand temperature fluctuations of up to 350°F. Work with our products and work with confidence.

Heat & Chill Retention

Piping hot main course or ice-chilled desserts, serve your food as it is meant to be served.

Stain Resistance

All products have great stain resistance, which means you can work comfortably with any food time and time again... without leaving a trace.

Glaze Damage Resistance

Exclusive low-temperature glaze is great for your presentation and great for the environment.

Dishwasher Safe

Our products withstand the dishwasher better than most by enduring the rigours of the food service industry wash after wash.
